## A Stroll Around Whitehorse

By Horace E. Moore Star Editor 1937 - 1950

**WHITEHORSE DURING THE 1940'S** - The Bank of Commerce is to the immediate left. The three story white building is the Whitehorse Inn. The White Pass train depot is at the end of the street, with the Whitehorse Theatre to the immediate right.

U.S. National Archives & Records Coll./Yukon Archives

Having enjoyed all the comforts of home and congenial surroundings at the Whitehorse Inn, a good night's sleep and a hearty breakfast at the Inn Cafe, let's spend the morning visiting the stores and business houses in town, become acquainted at first-hand with the townspeople and visit the points of interest, bearing in mind that this article is offered as a substitute for a personally conducted tour of the town.

We first visit the local branch of the Canadian Imperial Bank of Commerce of which Mr. A. E. Hardy is the manager. It was here that Robert Service was employed as a teller and where he wrote his first poems and "Trail of '98", which were to bring him both fame and fortune.

A portion of the premises on Main Street are now used by Mr. W. E. Emery, the mining recorder for this southern section of the Territory. Next door is the Yukon Taxi where, if

you care to drop in, you may meet Mr. Clyde Wann who operated the first commercial air service in the Yukon. Next in line traveling Westward, is located the Whitehorse Star which from the same location has been serving the community for the past 47 years.

The Fashion Shoppe is where Mrs. Burke operates a thriving business in serving the needs of the community.

The ball park, between Third and Fourth Avenue, has been the favourite stomping ground for all sports events for many years past. There also stood at one time, the old community hall operated by the North Star Athletic Association; a veritable landmark if ever there was one. Unfortunately, this edifice was destroyed by fire a few years ago, whilst occupied by the U. S. Army for hospital ....

News stories and articles of interest from the past 105 years are selected from the Whitehorse Star archives and can be viewed on the Whitehorse Star web site.
