City Man Dies In Cabin Fire

Olav Danielson, 61, died in a motel cabin fire some time yesterday. Apparently Mr. Danielson had been smoking in bed when he fell asleep. His bedding caught fire and he died from suffocation.

Little damage was done to the cabin apart from smoke stains as the limited amount of oxygen kept down the flames. It is thought the fire may have smouldered from midnight until morning. It was discovered by a Tourists' Services employee who spotted the brown, smoke covered window glass.

The fire department was summoned and the dead man was found inside.

Mr. Danielson was not employed at the time of his death. He had been working for Highway Maintenance Established at Destruction Bay.

Born April 21, 1901, he is believed to be survived by one sister, Mrs. Gurd Fotveit, of Setisdalen, Norway. Coroner Dr. W. R. Buchan indicated no inquest would be held.

*Another First-Class Hostelry
Opens Its Friendly Doors to the Traveller*

The fine three-story building that has been so rapidly rushed to completion by Mr. Racine, on Front Street, opposite the new post office building, opens its doors today for the reception of guests, and will be known as the Grand Palace Hotel. This immense building is admirably situated at the highest point on the lake side of the street, and commands a grand view of the lake and surrounding country. The guests' rooms on the second and third floors, about 20, are all large, well lighted and ventilated, high ceilings, with new and clean furnishings throughout. The floors are double-boarded, inlaid with building paper, as are also the walls, which will make the building a very warm and comfortable one during the most severe weather.

The hotel proper will be under the management of mesdames Lane and Taylor,

who have, during the past three months, made a splendid reputation as hostesses by the first-class manner in which they have conducted the Palace Hotel of this city. The traveller who has once been a guest at the latter house will surely find his way to the Grand Palace on his return to Bennett and learns that these ladies are in charge of the place.

The bar in connection with the hotel is controlled by R.B. Alverson & Co., well known to a great majority of our citizens, and their reputation is a good guarantee that nothing but the best of goods in their line, served by the most dexterous and polite mixologists, will be offered to the patrons of this department.

With such people in all departments of the new hotel it cannot fail to become a very popular house.
