**Joint Secretariat**  
**Inuvialuit Settlement Region**

We want you to come and work with our diverse, energetic and dedicated family! The Joint Secretariat is seeking a highly motivated person to work as the Communication and Information Technology Coordinator (CITC). The CITC will be tasked with improving the visibility and accountability of the Joint Secretariat and the 6 IFA Committees it supports, while also ensuring the smooth operation of its IT infrastructure. Improved communications will be accomplished through creative uses of various message delivery means including print, web, social media and other tools. Maintaining the IT infrastructure will involve liaising with our off-site support provider in Whitehorse to ensure IT related issues are addressed quickly and effectively in-house. This position is for someone who has appropriate skillset and the drive to find creative solutions to improve JS communications and has a desire to deliver high quality IT service to a staff of 14-16 individuals.

The successful candidate will possess a post secondary Diploma or Degree in Marketing, Communications or equivalent and have one year experience related to Communication Technology that included creating, producing and managing promotional content using digital media. Experience in public relations, marketing and provision of basic desktop support in an office setting is considered an asset.

The position is based in Inuvik, N.W.T. and travel within the Inuvialuit Settlement Region is often required.

The successful applicant will report to the Office Manager, Joint Secretariat - Inuvialuit Settlement Region.

Preference will be given to qualified Inuvialuit applicants.

Salary will commensurate with the qualifications and experience of the successful candidate. The benefits package includes a Settlement Allowance of \$5,425, Housing Allowance of \$6,500, Pension Benefit of 6% of base salary (all benefits are per annum). There is also a Vacation Travel Benefit of \$4,000 after one year on the job. A detailed job description is available upon request

## 1959 News from the Whitehorse Star

## Triple Tragedy Stuns Territory

Shock and sadness descended upon the territory Saturday, clouding the sunny weekend and bringing grief throughout the Yukon. Dead in a triple tragedy at Pine Lake were Reverend Stanley Watson, 33, of Haines Junction, his father, James Watson 58 and Bill Hough, 34, superintendent of the experimental farm, at Mile 1019.

The trio were drowned on a fishing trip when, apparently, their 12 foot fibreglassed boat capsized. The numbing cold of the water prevented them from swimming to shore and the small boat did not float to provide a place of refuge.

Pine Lake is a few miles from Haines Junction on the Alaska Highway. It is a fishing spot frequented by many Junction residents.

The boat was found in about 12 feet of water, the prow just showing above the surface. It had been powered by a three-horsepower motor. Evidence indicated the men had finished fishing and were about to return to shore. The bodies were recovered by searchers from the Junction.

Funeral services for Reverend Watson were held at Haines Junction at 7:30 p.m. yesterday. Rites for Mr. Hough will be held in Chesterfield, Ontario. A memorial service for the agriculturalist was also held at the Junction.

Masonic rites were held in Whitehorse for Mr. Watson senior at 2:30 this afternoon.

## 1019 Superintendent

Bill Hough was born August 18, 1925. After being educated at Chesterfield Public School and high school he joined the army. Leaving the army, he entered Ontario Agricultural College where he graduated with a BSc in animal husbandry. After one year with the department of agriculture he returned to University graduating from Cornell University with a MSc in animal physiology.

He spent two years in Ottawa with the civil service then came north in June of 1956 to take the post of superintendent of the experimental farm at 1019

During his term there, he served as magistrate and coroner for two years.

He was a member of the Professional Institute, the Agricultural Institute of Canada and of the Masons.

President of the Community Club in 1957 he was a director of the organization in 1958 as well.

On the threshold of a promising career, his abilities were summed up by Commissioner F.H. Collins who said he was a civil servant of the very highest type, keen minded dedicated and enthusiastic.

## On The Anaconda, Rabbit Foot and White Horse Group Mines For Which Large Sums Have Been Offered and Refused

The excellent returns from Messrs. Graingers & McIntyre's properties has given a fresh impetus to copper mining in the White Horse district, and in the course of the next two or three weeks a force of men will be put to work on the Anaconda mine, which has already had sufficient development done to prove it equally rich as the Copper King.

The group of mines comprising the Anaconda, Rabbit Foot and White Horse, is owned by Messrs. J.P. Whitney, A. P. Benton, Ole Dickson, W.A. Pucket, Charley Ward and O'Neil. Of these the Anaconda is the furthest advanced in development, 135 feet of tunnel having already been run, besides numerous cross-cuts and several shafts to a depth of 20 feet.

Last June \$100,000 was offered and refused for the Anaconda and five weeks ago an offer of \$150,000 for the Anaconda and Rabbit Foot was also declined.

The lode on which these claims are located shows an average width of 75 feet, and assays from picked ore have given values as high as \$258 per ton.

At the Anaconda there are now about 100 tons of ore on the dump, but the owners have decided not to ship any of it at present, and will wait for the erection of a smelter close at hand which has every indication of being an accomplished fact during the coming summer.
