Whitehorse Star, Monday, May 4 1992

City Resident Makes Polar History

Whitehorse resident Martyn Williams has become the first Canadian to reach both poles of the earth using only skis and a small dog team.

Williams, 44 and his three companions on the International north Pole Expedition were picked up Saturday after six grueling weeks of fighting severe temperatures, driving winds, and tough, unpredictable sea ice.

All four members of the group are South Pole veterans. Australian Mike McDowell 44, accompanied Williams to the South Pole in 1990. Norwegian brothers Sjur, 27, and Simen Modre, 29, traveled to the South Pole in 1991.

Many people have reached both poles without mechanized assistance. Until now, only Briton Robert Swan traveled from South to North.

The group is now resting at the advance base on Ellesmere Island before they return tonight to Resolute Bay, N.W.T.

Tough terrain slowed progress for the first few weeks. However, the expedition traveled more than 25 kilometers a day in the last couple of weeks to make up for last time.

They had to reach the pole by May 12. After that date, warming temperatures cause fog and broken ice, which makes air pick-up impossible.

"But part of it was because they just really wanted to get out ...

Made it! Yukoner Martyn Williams, right, completed the international North Pole Expedition is six weeks along with Mike McDowell and brothers Sju and Simen Modre, at left.

Soak up a little Yukon history.

HELP WANTED

**Little Salmon Carmacks
First Nation**

**EMPLOYMENT OPPORTUNITY
Lands & Resource Department**

Land Use Planner

Reporting to the Lands and Resource Director, the position is responsible for supporting planning and management projects including as they relate to economic development, economic partnerships, social programs, renewable and non-renewable resources, consultation, and accommodation obligations, and capacity development and assisting in resolving disputes between competing interests for lands and resources (LSCFN members and departments, Yukon Government, other first nations, municipalities and other local governments, private sector, NGOs). The Department is committed to Dooli Law and application of traditional knowledge (TK) (sometimes called traditional ecological knowledge (TEK)). The LSCFN will soon start a land use planning project for lands within its traditional territory. The Land Use Planner will play a lead role in this project which will produce a land use plan for the traditional territory. **Valid Class 5 Yukon Drivers, Permanent Full Time.**

Policy Analyst

Reporting to Lands and Resource Director, the Policy Analyst is responsible for conducting research and analysis on the First Nation's lands and resources policy, self-government and land claim issues, and the Lands and Resources mandate in respect to the implementation of the LSCFN Land Claim Agreement and other agreements on land and resource issues within the Department. The position is responsible for supporting policy projects related to land and resource issues and interests, including as they relate to economic development, economic partnerships, social programs, natural resources, consultation, and accommodation obligations, the constitutional duty to consult, and capacity development. **Valid Class 5 Yukon Drivers, Permanent Full Time.**

GIS and Land Registry Technician

Reporting to Lands Manager, the GIS Technician and Lands Registrar and Lands Registrant is responsible for providing technical support for updating and maintaining standard mapping, GIS and other technical products, assisting in performing basic data analysis projects and using geospatial and non-geospatial databases to support land use and other planning projects and ongoing responsibilities within the Land and Resources Department. As the Lands Registrar for the Department, the position is also responsible for maintaining an up to date registry of all existing interests in land within the traditional territory and all applications for an interest. **Valid Class 5 Yukon Drivers, Permanent Full Time**

Mining Coordinator

Reporting to Lands Manager, the Mining Coordinator is responsible for providing technical support by maintaining an inventory of known mining deposits and historical mining activities, current mining activities, keeping up to date with mining activities and developments to support mining activities (roads, landing strips and pads, camps, docks, fuel depots etc.), reviewing applications to support or are mining company applications to the Yukon Environmental and Socioeconomic Assessment Board (YESAB), and writing monthly reports summarizing new mining and mining support activities in or near the LSCFN traditional territory and activities that may affect that territory. The work of the Mining Coordinator will involve a basic understanding of GIS programs, mining project analysis, and using geospatial and non-geospatial databases to support land use and other planning projects and ongoing responsibilities within the Land and Resources Department. **Valid Class 5 Yukon Drivers, Permanent Full Time.**

Environmental Coordinator

Reporting to the Fish and Wildlife Manager, the Environmental Coordinator is responsible for providing technical support by maintaining an inventory of known and emerging environmental issues, keeping up to date with activities and developments that may have an environmental impact, reviewing applications to the Yukon Environmental and Socioeconomic Assessment Board (YESAB), and writing monthly reports summarizing new environmental issues in or near the LSCFN traditional territory and activities that may affect that territory. The work of the Environmental Coordinator will involve applying a basic understanding of GIS programs, environmental project analysis, and using geospatial and non-geospatial databases to support land use and other planning projects and ongoing responsibilities within the Land and Resources Department. **Valid Class 5 Yukon Drivers, Permanent Full Time.**

Game Guardian

Reporting to the Fish and Wildlife Manager, the Game Guardian will assist in delivering the fish and wildlife management program of the Little Salmon Carmacks First Nation (LSCFN) Lands and Resources Department on lands within the Traditional Territory. The worker will spend most of their time out in the field and will have a variable work schedule that could include working after hours and weekends. **Valid Class 5 Yukon Driver's License, Willingness to obtain First Aid/CPR Certificate, Willingness to pursue further training in wildlife management. Permanent Full Time.**

Preferential hire may apply.

If you are interested, please submit your expression of interest along with your resume by 4:30 P.M., July 13, 2018 to:

Doris Johnson, Human Resource Officer
PO Box 135, Carmacks Y.T. Y0B 1C0
Phone: (867)863-5576 ext 280 • Fax: (867)863-5710 • Email: resume@lscfn.ca

If you require a job description please feel free to contact us.

DAWSONITES LIBERATED BY U.S. FORCES IN THE PHILIPPINES

Provost Marshal-General Leech wired from Washington, D.C. on February 21 to Mr. and Mrs. Murdoch McCuish in Dawson, Y. T. informing them that their son John and his wife Virginia, had been released by the U.S. Forces from the Japanese internment camp at Santo Tomas, Luzon Island in the Philippines.

Mr. and Mrs. John McCuish were on Mindanao Island when the Japanese captured the Philippines and managed to evade capture for about two years by hiding in the hills before they were forced to surrender.

1969 News from the Whitehorse Star

LIQUOR VOTE SET FOR JUNE 23

All Yukon residents, 19 years and up, will be asked to answer this question on Monday, June 23:

“Are you in favour of lowering the legal age for the consumption of alcoholic beverages from 21 years to 19 years of age?”

Commissioner James Smith announced the date and terms of the plebiscite this morning. It is believed to be the first time in Canada that underage voters will have had an opportunity to express their opinions on a question which directly affected them.

There will be no enumeration of voters, and no voters list compiled for the plebiscite, which will be conducted by Federal Returning Officer Harold J. MacDonald of Whitehorse. Instead, each voter will swear an affidavit that they are of the full age of 19 and they were ordinarily resident in the Yukon Territory on March 20, 1969. This was the date on which Yukon Territorial Council approved the idea of the plebiscite being held.

The Whitehorse Star, May 12, 1969
